MANAGEMENT INFORMATION CIRCULAR

ENVIRONMENTAL WASTE INTERNATIONAL INC.

NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 28th, 2018

NOTICE IS HEREBY GIVEN that the Annual and Special Meeting of the Shareholders (the “Meeting”) of Environmental Waste International Inc. (the “Corporation”) will be held at Sheraton Toronto Airport Hotel & Conference Centre, 801 Dixon Road, Toronto, ON M9W 1J5 on Thursday, the 28th day of June 2018 at the hour of 10:00 a.m. (Toronto time) for the following purposes:

1. To consider, and if deemed appropriate, pass a resolution fixing the number of directors of the Corporation within the minimum and maximum permitted by its Articles of Incorporation at seven (7);
2. To consider, and if deemed appropriate, pass a resolution electing directors of the Corporation for the ensuing year;
3. To consider, and if deemed appropriate, pass a resolution re-appointing MNP, LLP, Chartered Accountants, as auditors of the Corporation for the current year and authorizing the directors to fix the remuneration of the auditors;
4. To consider, and if deemed appropriate, pass a resolution confirming ratifying approving the Corporation’s 10% rolling stock option plan (the “**Plan**”);
5. To consider, and if deemed appropriate, pass a special resolution authorizing the board of directors of the Corporation to consolidate the common shares of the Corporation (“**Common Shares**”) on the basis of one (1) new Common Share for up to twenty (20) old Common Shares and amend the Corporation’s Articles accordingly; and
6. To transact such other business as may properly come before the Meeting or any adjournment thereof.

A copy of the annual audited consolidated financial statements of the Corporation for its financial year ended December 31, 2017, and the auditors’ report there on, together with the corresponding management discussion and analysis will be delivered to shareholders who requested a copy. These documents may be obtained on SEDAR at www.sedar.com or at the following website at: <https://docs.tsxtrust.com/2055>

The Corporation has elected to use the notice-and-access provisions for the Meeting pursuant to National Instrument 54-101 (“**NI 54-101**”) (“**Notice-and-Access Provisions**”) with respect to the mailing to its registered shareholders and its non-objecting beneficial shareholders (the “**NOBOs**”). The Notice-and-Access Provisions are a new set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing the Corporation to post the Information Circular and any additional materials on a non-SEDAR website rather than delivering such materials by mail. Shareholders will receive this Notice of Meeting and a form of proxy (the “**Notice Package**”) and may choose to receive a hard copy of the Information Circular.

The Corporation is not using procedures known as ‘stratification’ in relation to the use of Notice-and- Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with the Notice Package. The Corporation is sending the Notice Package directly to the NOBOs. The Corporation will not pay for intermediaries to deliver the Notice Package to objecting beneficial holders (as defined in NI 54-101), and objecting beneficial holders will not receive the Notice Package unless their intermediary assumes the cost of delivery. In relation to this Meeting, the Notice Package will be sent to the NOBOs and the Notice Package along with a copy of the Information Circular will be sent to the registered shareholders.

Please review the Information Circular carefully and in full prior to voting in relation to the matters to be conducted at the Meeting. The Information Circular is available on SEDAR at www.sedar.com and at the following website

<https://docs.tsxtrust.com/2055>

Any shareholders who wishes to receive a paper copy of the Information Circular should contact the Corporation at (905) 686-8689. A shareholder may also contact the Corporation's transfer agent, TSX Trust Company at Toll Free 1-866-600-5869 to obtain additional information about the "Notice-and-Access Provisions". All shareholders are invited to attend the Meeting. The board of directors of the Corporation has fixed May 14, 2018 as the record date for determining the shareholders who are entitled to vote at the Meeting. Only holders of common shares of the Corporation at the close of business on May 14, 2018 will be entitled to receive notice of and to vote at the Meeting. In order to allow for reasonable time to be allotted for a shareholder to receive and review a paper copy of the Information Circular prior to the proxy deadline, any shareholder wishing to request a paper copy of the Information Circular as described above, should ensure such request if received by 10:00 am (Toronto time) on June 19, 2018.

If you cannot attend, we encourage you to complete and return the form of proxy or voting instruction form provided to you indicating your voting instructions. Please complete, date and sign your form of proxy or voting instruction form and return it by mail in the envelope provided for this purpose, or by facsimile to our transfer agent, TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto Ontario M5H 4H1 or by following the procedures for Internet voting provided in the enclosed form of proxy or voting instruction form. To be valid, a completed form of proxy or voting instruction form must be received by our transfer agent, or Internet voting must be completed, by no later than 10:00 a.m. (Toronto Time) on Monday June 26, 2018 or, if the meeting is adjourned, by no later than 48 hours prior to the time of the adjourned meeting. If you are not a registered shareholder, please refer to the Information

Circular for information on how to vote your shares.

The accompanying Information Circular provides additional information relating to the matters to be dealt with at the Meeting.

DATED at Toronto, Ontario, this 16th day of May 2018.

BY ORDER OF THE BOARD OF DIRECTORS

"Bob MacBean"

Bob MacBean
Chief Executive Officer

ENVIRONMENTAL WASTE INTERNATIONAL INC.

INFORMATION CIRCULAR

As at May 16, 2018

SOLICITATION OF PROXIES

THIS INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF ENVIRONMENTAL WASTE INTERNATIONAL INC. (the “Corporation”) for use at an annual and special meeting of shareholders of the Corporation (the “Meeting”) to be held at Sheraton Toronto Airport Hotel & Conference Centre, 801 Dixon Road, Toronto, ON M9W 1J5 on Thursday, the 28th day of June, 2018 at the hour of 10:00 a.m. (Toronto time) and at any adjournments thereof, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation of proxies will be borne by the Corporation. The information contained in this management information circular is given as at May 16, 2018, unless indicated otherwise.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors or representatives of the Corporation. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT THEM AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Corporation’s transfer agent, TSX Trust Company, as instructed below. A proxy can be executed by the shareholder or his attorney duly authorized in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized.

In addition to any other manner permitted by law, a proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the last business day preceding the day of the Meeting or any adjournment at which the proxy is to be used or delivered to the Chair of the Meeting on the day of the Meeting or any adjournment prior to the time of voting and upon either such occurrence, the proxy is revoked.

DEPOSIT OF PROXY

By resolution of the Directors, duly passed, ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED NOT LATER THAN 48 HOURS PRECEDING THE DAY OF THE MEETING, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS (June 26, 2018 AT 10:00 A.M.), OR ANY ADJOURNMENT, WITH THE CORPORATION’S TRANSFER AGENT, TSX TRUST COMPANY, 100 ADELAIDE STREET WEST, SUITE 301, TORONTO ONTARIO M5H 4H1, provided that a proxy may be delivered to the Chair of the Meeting on the day of the Meeting or any adjournment prior to the time of voting and it is up to the Chair of the Meeting to accept or reject the proxy so delivered at the Chair’s sole discretion. A return envelope has been included with this material.

NON-REGISTERED SHAREHOLDERS

Only shareholders of record at the close of business on May 14, 2018, or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either:

- i. in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or
- ii. in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101, (the “NI54-101”) the Corporation will have distributed copies of the Notice of Meeting, this Management Proxy Circular and the form of proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the meeting material to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- i. be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and submit it to the Corporation or the Corporation’s transfer agent, TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto Ontario M5H 4H1; or
- ii. more typically, be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the Non-Registered Holder will be given a page of instructions that contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares of the Corporation they beneficially own. Should a Non-Registered Holder who receives either form of proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the person named in the proxy and insert the Non-Registered Holder or such other person’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

A Non-Registered Holder may revoke a proxy authorization form (voting instructions) or a waiver of the right to receive meeting materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a proxy authorization form (voting instructions) or of a waiver of the right to receive meeting materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

EXERCISE OF DISCRETION OF PROXIES

The persons named in the accompanying form of proxy for use at the Meeting will vote the shares in respect of which they are appointed in accordance with the directions of the shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED “FOR”:**

1. fixing the number of directors of the Corporation within the minimum and maximum permitted by its Articles of Incorporation at seven (7);
2. the election of directors as nominated by Management, regardless of whether there is a change, amendment or variation to the persons proposed by Management for election as directors at the Meeting or whether persons are nominated for election as directors on or from the floor of the Meeting;

3. the re-appointment of MNP LLP, Chartered Accountants, as auditors of the Corporation for the ensuing year and to authorize the directors to fix their remuneration;
4. a resolution confirming, ratifying and approving the Corporation's 10% rolling stock option plan (the "**Plan**");
5. a special resolution authorizing the board of directors of the Corporation to consolidate the Common Shares on the basis of one (1) new Common Share for up to twenty (20) old Common Shares and amend the Corporation's Articles accordingly; and
6. such further and other business as may be properly brought before the Meeting or any adjournment thereof.

Each of items 1, 2, 3 and 4 require approval by a simple majority (50.1%) of all votes cast at the Meeting, either in person or by proxy. Item 5 requires the approval of a special majority (66 2/3%) of all votes cast at the Meeting either in person or by proxy.

The enclosed form of proxy confers discretionary authority upon the person named with respect to any amendment, variation or other matter to come before the Meeting, other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS, WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT, SHOULD PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXIES WILL BE VOTED IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES, EXCEPT IN THE CASE OF THE ELECTION OF DIRECTORS AS THE SHARES REPRESENTED BY PROXY WILL BE VOTED FOR MANAGEMENT NOMINESS ONLY AND REGARDLESS OF ANY AMENDMENT OR VARIATION.**

NOTICE AND ACCESS

"Notice-and-Access Provisions" means provisions concerning the delivery of proxy-related materials to Shareholders found in section 9.1.1 of National Instrument 51-102 - Continuous Disclosure Obligations ("NI 51-102"), in the case of registered shareholders, and section 2.7.1 of National Instrument 54-101 - Communication with Beneficial Owners of Securities of a Reporting Issuer ("NI 54-101"), in the case of Non-Registered Shareholders, which would allow an issuer to deliver an information circular forming part of proxy-related materials to shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

The Notice-and-Access Provisions are a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The Notice-and-Access Provisions can be used to deliver materials for both special and general meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer's expense.

The use of the Notice-and-Access Provisions reduces paper waste and mailing costs to the Corporation. In order for the Corporation to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting the Circular (and if applicable, other materials) electronically on a website that is not SEDAR, the Corporation must send a notice to shareholders, including Non-Registered Shareholders, indicating that the proxy-related materials have been posted and explaining how a shareholder can access them or obtain from the Corporation a paper copy of those materials. These documents may be obtained on SEDAR at www.sedar.com or at the following website at:

<https://docs.tsxtrust.com/2055>

In order to use Notice-and-Access Provisions, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to shareholders. The requirements of that notice, which requires the Corporation to provide basic information about the Meeting and the matters to be voted on, explain how a shareholder can obtain a paper copy of the Circular and any related financial statements and MD&A, and explain the Notice-and-Access Provisions process, have been built into the Notice of Meeting. The Notice of

Meeting has been delivered to shareholders by the Corporation, along with the applicable voting document (a form of proxy in the case of registered shareholders or a voting instruction form in the case of Non-Registered Shareholders).

The Corporation will not rely upon the use of 'stratification'.

The Corporation will send proxy-related materials directly to non-objecting Non-Registered Shareholders, through the services of its registrar and transfer agent, TSX Trust Company. The Corporation intends to pay for the Intermediary to deliver to objecting Non-Registered Shareholders the proxy-related materials and Form 54-101F7 - Request for Voting Instructions Made by Intermediary of NI 54-101.

Any shareholder who wishes to receive a paper copy of this Circular must contact the Corporation's transfer agent, TSX Trust Company at 100 Adelaide Street West, Suite 301 Toronto, Ontario, M5H 4H1, Fax: (416) 595-9593, Toll-free: 1-866-600-5869. In order to ensure that a paper copy of the Circular can be delivered to a requesting shareholder in time for such shareholder to review the Circular and return a proxy or voting instruction form prior to the deadline to receive proxies, it is strongly suggested that shareholders ensure their request is received no later than June 19, 2018.

All shareholders may call 1-866-600-5869 (toll-free) in order to obtain additional information regarding the Notice-and-Access Provisions or to obtain a paper copy of the Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

INTERESTS OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

At the Meeting, shareholders will be asked to consider and, if thought fit, to confirm, ratify and approve the Plan. Investors LLC also holds a \$1,350,000 convertible debenture of the Corporation that is convertible into 12,272,727 common shares of the Company.

3. Appointment of Auditors

Unless authority to do so is withheld, the persons named in the enclosed form of proxy intend to vote **FOR** the re-appointment of MNP, LLP, Chartered Accountants, as auditors of the Corporation, to hold office until the next annual meeting of shareholders at remuneration to be fixed by the directors.

4. Ratification of the Corporation's 10% Rolling Stock Option Plan

On May 9, 2013, the Board of Directors of the Corporation adopted the Plan which was approved and adopted by the shareholders of the Corporation at the last annual general and special meeting of shareholders held on June 27, 2017. In accordance with the rules and policies of the TSX Venture Exchange, rolling stock option plans must be re-approved by shareholders on an annual basis and management will be asking shareholders to confirm, ratify and approve the Plan at the Meeting. Below is a summary of the Plan which is qualified in its entirety by the Plan itself. Shareholders wishing to obtain a copy of the Plan may do so by requesting a copy from the Corporation at 360 Frankcom Street, Ajax, Ontario L1S 1R5 Attn: Bob MacBean.

The purpose of the Plan is to allow the Corporation to grant options to directors, officers, employees and consultants, as additional compensation and as an opportunity to participate in the success of the Corporation. The granting of such options is intended to align the interests of such persons with those of the shareholders. The Plan will be administered by the Board or, in its discretion, a stock option committee consisting of not less than three members of the Board. It is anticipated that the Board will administer the Plan with recommendations from the Compensation Committee.

Pursuant to the Plan, options will be exercisable over periods of up to ten years as determined by the Board. In addition, options are required by the Company to have an exercise price no less than the closing market price of the Corporation's shares prevailing on the day that the option is granted. Pursuant to the Plan, the Board may from time to time authorize the issuance of options to directors, officers, employees and consultants of the Corporation and its subsidiaries or employees of companies providing management or consulting services to the Corporation or its subsidiaries. The number of Common Shares which may be issued pursuant to options granted under the Plan will be a maximum of 10% of the issued and outstanding Common Shares at the time of the grant. In addition, the number of Common Shares which may be reserved for issuance to any one individual may not exceed 5% of the issued Common Shares on a yearly basis or 2% if the optionee is engaged in investor relations activities or is a consultant. Options granted under Plan will be subject to such vesting schedule as the Board may determine.

Pursuant to the Plan, if any participant who is a director, officer, employee or consultant of the Corporation or an affiliate shall cease to act in that capacity for any reason other than death or permanent disability, subject to the discretion of the Board and provided that in no event shall the exercise term of an option exceed one (1) year from its Grant Date, such participant's options will terminate on the earlier of the date of the expiration of the relevant date and 90 days after the date such participant ceases to be a director, officer, employee or consultant of the Corporation or any affiliate. The Plan also provides that if a change of control, as defined therein, occurs, all shares subject to option shall immediately become vested and may thereupon be exercised in whole or in part by the option holder.

Options are non-assignable and non-transferable, although they are assignable to and may be exercisable by an optionee's legal heirs, personal representatives or guardians in certain cases.

If Shareholders confirm, ratify and re-approve Plan, which reserves for issuance 10% of the number of issued and outstanding Common Shares, 16,582,774 Common Shares would be reserved for issuance there under. As at the date hereof, there are 14,625,000 options outstanding and there are 1,957,774 additional options remaining available for grant under the Plan. This number would increase as the number of issued and outstanding Common Shares increases.

At the Meeting, the Shareholders will be asked to pass an ordinary resolution, with or without amendment, to confirm, ratify and approve Plan. The following is the text of the resolution to be considered by the Shareholders at the meeting:

“RESOLVED THAT the Corporation's 10% rolling stock option plan (the **“Plan”**) dated May 6, 2013, as originally approved by the Board on May 9, 2013 and by the shareholders of the Corporation on June 11, 2013 be and is hereby confirmed, ratified and approved.”

The foregoing resolution must be approved by a majority of the Corporation's shareholders that are present in person or by proxy at the Meeting.

The persons named in the form of proxy provided to you intend to vote the Common Shares represented by such proxy FOR the resolution to confirm, ratify and approve the Plan.

5. Approval of Share Consolidation

The Board proposes to reduce the number of Common Shares of the Corporation in order to increase its flexibility with respect to potential business transactions, including any equity financings, if determined by the Corporation to be advisable. Shareholders are being asked to consider and, if thought fit, to pass the special resolution authorizing the Board, in its sole discretion, to consolidate the Common Shares on the basis of one (1) new Common Share for up to twenty (20) old Common Shares (the **“Consolidation”**) and amending the Corporation's articles accordingly. Notwithstanding approval of the Consolidation by shareholders, the Board of Directors may, in its sole discretion, revoke this special resolution, and abandon the Consolidation without further approval or action by or prior notice to shareholders.

Prior to making any amendment to affect the consolidation of Common Shares, the Corporation shall first be required to obtain any and all applicable regulatory and relevant TSX-V approvals. The Board believes shareholder approval of a maximum potential Consolidation Ratio (rather than a single consolidation ratio) of one post-Consolidation Common Shares for up to twenty pre-Consolidation Common Shares provides the Board with flexibility to achieve the desired results of the Consolidation, and to ensure that the Corporation remains in compliance with applicable shareholder distribution requirements of the TSX-V. If this special resolution is approved, the Consolidation will be

implemented, if at all, only upon a determination by the Board that the Consolidation is in the best interests of the Corporation and its shareholders at that time. In connection with any determination to implement a Consolidation, the Corporation's Boards will set the timing for such a consolidation and select the specific ratio from within the range for a ratio set forth in the special resolution.

Certain Risks Associated with the Consolidation

There can be no assurance that the total market capitalization of the Corporation's Common Shares (the aggregate value of all Common Shares at the then market price) immediately after the Consolidation will be equal to or greater than the total market capitalization immediately before the Consolidation. In addition, there can be no assurance that the per-share market price of the Common Shares following the Consolidation will be higher than the per share market price immediately before the Consolidation or equal or exceed the direct arithmetical result of the Consolidation. In addition, a decline in the market price of the Common Shares after the Consolidation may result in a greater percentage decline than would occur in the absence of a Consolidation and the liquidity of the Common Shares could be adversely affected. There can be no assurance that, if the Consolidation is implemented, the margin terms associated with the purchase of Common Shares will improve or that the Corporation will be successful in receiving increased attention from institutional investors.

Principal Effects of the Consolidation

As of May 16, 2018, the Corporation had 165,827,735 Common Shares issued and outstanding. Following the completion of the proposed Consolidation, the number of Common Shares of the Corporation issued and outstanding will depend on the ratio selected by the Corporation's Board. The following table sets out the appropriate number of Common Shares that would be outstanding as a result of the Consolidation at the ratios suggested below.

Table – Consolidation Ratio

Proposed Consolidation Ratio ⁽¹⁾	Approximate Number of Outstanding Shares (Post Consolidation) ⁽²⁾
1 for 20	8,291,387
1 for 16	10,364,233
1 for 10	16,582,774
1 for 4	41,456,934

Notes:

1. The Ratios above are for information purposes only and are not indicative of the actual ratio that may be adopted by the Board of Directors to affect the Consolidation.
2. Based on the outstanding number of Common Shares as at May 16, 2018, being 165,827,735

Tax Effect

The Consolidation will not give rise to a capital gain or loss under the *Income Tax Act* (Canada) for a shareholder who holds such Common Shares as capital property. The adjusted cost base to the shareholder of the new Common Shares immediately after the consolidation will be equal to the aggregate adjusted cost base to the shareholder of the old Common Shares immediately before the Consolidation.

Notice of Consolidation and Letter of Transmittal

If the Corporation effects the Consolidation, a letter of transmittal will be mailed to the shareholders. This letter of transmittal which will need to be duly completed and submitted by any shareholder wishing to receive share certificates representing the post-Consolidation Common Shares to which he, she or it is entitled if the Corporation completes the Consolidation. This letter of transmittal can be used for the purpose of surrendering certificates representing the currently outstanding Common Shares to the Corporation's registrar and transfer agent in exchange

for new share certificates representing whole post-Consolidation Common Shares of the Corporation. After the Consolidation, current issued share certificates representing pre-Consolidation Common Shares of the Corporation will (i) not constitute good delivery for the purposes of trades of post-Consolidation Common Shares; and (ii) be deemed for all purposes to represent the number of post-Consolidation Common Shares to which the Shareholder is entitled as a result of the Consolidation. No delivery of a new certificate to a Shareholder will be made until the Shareholder has surrendered his, her or its current issued certificates. **Please do not send the letter of transmittal until the Corporation announces by press release that the Consolidation will become effective. The press release will contain instructions as to when the existing share certificates and the letter of transmittal are to be mailed to shareholders and sent to TSX Trust Corporation, the Corporation's registrar and transfer agent.**

Fractional Shares

No fractional common shares of the Corporation will be issued upon the Consolidation. All fractions of post-Consolidation shares will be rounded to the next lowest whole number if the first decimal place is less than five and rounded to the next highest whole number if the first decimal place is five or greater.

Percentage Shareholdings

The Consolidation will not affect any shareholder's percentage ownership in the Corporation, even though such ownership will be represented by a smaller number of Common Shares. Instead, the Consolidation will reduce proportionately the number of Common Shares held by all shareholders.

Implementation

The implementation of the special resolution is conditional upon the Corporation obtaining the necessary regulatory consents. The special resolution provides that the Board is authorized, in its sole discretion, to determine not to proceed with the proposed Consolidation, without further approval of the Corporation's shareholders. In particular, the Board of Directors may determine not to present the special resolution to the Meeting or, if the special resolution is presented to the Meeting and approved, may determine after the meeting not to proceed with completion of the proposed Consolidation and filing the articles of amendment. If the Board does not implement the Consolidation within 36 months of the Meeting, the authority granted by the special resolution to implement the Consolidation on these terms would lapse and be of no further force or effect.

Effect on Non-registered Shareholders

Non-registered shareholders holding their Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Consolidation than those that will be put in place by the Corporation for registered shareholders. If you hold your Common Shares with such a bank, broker or other nominee and if you have any questions in this regard, you are encouraged to contact your nominee.

At the Meeting, the Shareholders will be asked to pass a special resolution, with or without amendment, to approve the Consolidation. The following is the text of the resolution to be considered by the Shareholders at the meeting:

“BE IT RESOLVED THAT:

1. The Corporation be and is hereby authorized to consolidate the issued and outstanding Common Shares in the capital of the Corporation on the basis of one (1) new Common Share for up to every twenty (20) Common Shares presently issued and outstanding (the “**Consolidation**”) and amend the Corporation's Articles accordingly;
2. the Board of Directors are hereby authorized to determine the ratio for the Consolidation within the range set out in the Table entitled – “*Consolidation Ratio*” of the management information circular dated May 16, 2018;
3. any one director or officer of the Corporation be and is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, prepare and file Articles of Amendment for the Corporation to effect the

Consolidation or make any changes required by the TSX Venture Exchange or applicable securities regulatory authorities; and

4. notwithstanding the passing of this special resolution by the shareholders of the Corporation, the directors of the Corporation are hereby authorized and empowered without further notice to or approval of the Shareholders of the Corporation not to proceed with the Consolidation or to revoke this resolution at any time prior to the Consolidation becoming effective.”

Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the resolution authorizing and approving the Consolidation. In order to be approved, the special resolution must be passed by at least 66 and 2/3% of the votes cast by shareholders at the Meeting in person or by proxy.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy

The principal objectives of our compensation policies and practices for executive compensation are to attract and retain talented executives and to motivate them to achieve annual and long-term corporate objectives that are aligned with the interests of our shareholders.

The Compensation Committee establishes and reviews the Corporation's overall compensation philosophy and its general compensation policies with respect to the Chief Executive Officer, the President and other senior officers. For executive officers other than the President and Chief Executive Officer, the Chief Executive Officer makes compensation recommendations to the Compensation Committee. The Compensation Committee, in reviewing and making recommendations to the Board relating to executive compensation, will consider and apply, among other things, the historical operating philosophies and policies of the Corporation and the use of stock options granted under the Corporation's stock option plan to align the interests of management and shareholders to create shareholder value. The Compensation Committee evaluates the Chief Executive Officer's performance and, based on its evaluation, reviews and makes recommendations to the Board with respect to all direct and indirect compensation, benefits and perquisites (cash and non-cash) for the Chief Executive Officer based on such evaluation. In determining the Chief Executive Officer's compensation, the Compensation Committee considers the terms of his employment with EWI and may additionally consider a number of other factors, including EWI's performance, the value of similar incentive awards to chief executive officers at comparable companies, the awards given to the Chief Executive Officer in past years and other factors it considers relevant. The Compensation Committee also reviews and makes recommendations to the Board with respect to compensation, benefits and perquisites for all other senior officers of the Corporation, incentive compensation and equity-based plans, and policies regarding management benefits and perquisites. The Corporation does not engage an outside consulting firm to provide executive compensation consulting. There is no regulatory oversight of our compensation process for our named executive officers. The Corporation did not use any specific benchmarks for determining the named executive officer compensation.

Elements of Compensation

The elements of compensation for our named executive officers during the financial year ended December 31, 2017 included stock option grants, base salaries, company-wide employee health and welfare benefits (including medical, dental, group life insurance, accidental death and personal loss insurance, long term disability and long-term care), and, in certain cases, an annual bonus opportunity. The Corporation's executive compensation structure is designed to encourage and motivate executives to achieve high levels of performance, both individually and for the Corporation, particularly over the medium-to-long term. An executive's overall compensation package in any given year will reflect the functions being performed, and his or her overall contribution to the organization, capacity to improve the Corporation's financial performance, enthusiasm and loyalty, and ability to create (or help to create) value for the benefit of the Corporation's shareholders. The Compensation Committee believes that the base salary component provides a measure of certainty and predictability to meet certain living and other financial commitments and, together with the cash bonus component, motivates executives in the short-to-medium term, while stock option grants align

their interests with those of the Corporation’s shareholders and assist in keeping the Corporation competitive in attracting and retaining high quality executives.

Salary

Amounts paid to an executive officer as base salary, including merit salary increases, are determined by reference to the individual's performance and salaries prevailing in the marketplace for comparable positions. The base salary of each executive officer is reviewed as required. Salary adjustments take into consideration the general level of salaries in the marketplace for comparable positions, the performance of the executive and the Corporation's performance.

Bonus

The Corporation's cash bonus awards are designed to reward an executive for the direct contribution that he or she can make to the Corporation and, at the most senior level, are directly tied to the Corporation's financial performance. The Compensation Committee determined that no cash bonuses should be awarded for the last fiscal year.

Stock Options

Stock option grants are an important component of the Corporation's executive compensation structure. Grants are intended to motivate management to achieve superior long-term performance. Options align the interests of management with those of the Corporation's shareholders and assist in keeping the Corporation competitive in attracting and retaining high quality executives. Options are granted pursuant to the Corporation’s stock option plan, which permits the Compensation Committee to determine the vesting requirements and other key terms that will attach to the options. In accordance with their design as a long-term component of compensation, options granted to executives are generally subject to various vesting periods. When considering an award of options to an executive officer, consideration of the number of options previously granted to the executive may be taken into account, however, the extent to which such prior grants remain subject to resale restrictions are generally not a factor.

Executive Compensation for the Year Ended December 31, 2017

The fiscal 2017 compensation for the executive officers were \$178,267 for the CEO, Bob MacBean, \$125,000 for the CTO Steve Kantor and \$15,750 for Karen Rutenberg who served as CFO until June 27,2017. Bob MacBean deferred \$178,267 of his compensation in order to preserve the Corporation’s cash.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

Multilateral Instrument 52-110 of the Canadian Securities Administrators (“MI 52-110”) requires the Corporation, as a venture issuer, to disclose annually in the Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following.

An audit committee charter, the text of which is attached as Schedule “A” to this Information Circular, governs the Corporation’s audit committee.

The Corporation’s audit committee was composed of three (3) directors at the start of 2017, Sam Geist, Emanuel Gerard, and Tom Russell until June 27, 2017. At the AGM Sam Geist and Emanuel Gerard were reelected and continued during fiscal 2017. As defined in MI 52-110, all current members of the audit committee are “independent” within the meaning of MI 52-110.

Since the commencement of the Corporation’s most recently completed financial year, the Corporation’s Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of MI 52-110, the engagement of non-audit services is considered by the Corporation’s Board of Directors, and where applicable the audit committee, on a case by case basis.

In the following table, “audit fees” are fees billed by the Corporation’s external auditor for services provided in auditing the Corporation’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Corporation to its auditors in each of the last two fiscal years, by category, are as follows:

<u>Financial Year Ending</u>	<u>Audit Fees</u>	<u>Audit Related Fees</u>	<u>Tax Fees</u>	<u>All Other Fees</u>
December 31, 2017	\$42,500	TBD	\$10,000	Nil
December 31, 2016	42,500	9,300	\$10,000	Nil

The Corporation is relying on the exemption provided by section 6.1 of MI 52-110 that provides that the Corporation, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of MI 52-110.

STATEMENT OF CORPORATE GOVERNANCE

National Policy 58-201 - *Corporate Governance Guidelines* and National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, which came into force on June 30, 2005, set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation’s required annual disclosure of its corporate governance practices.

1. Board of Directors - The Board considers that Messieurs Geist, Gerard, Martinsons, Myers, Orlin and Savage are independent according to the definition of “independence” set out in Multilateral Instrument 52-110 as it applies to the Board. The Board considers that Bob MacBean is not independent in that he is an executive officer of the Corporation. The Board facilitates its exercise of independent supervision over management primarily by having a majority of the Board members consist of individuals who are independent of the Corporation.

3. Orientation and Continuing Education - The Board has not adopted a formal policy on the orientation and continuing education of new and current directors. When a new director is appointed, the Board delegates individual directors the responsibility for providing an orientation and education program for any new director. This may be delivered through informal meetings between the new directors and the Board and senior management, complemented by presentations on the main areas of the Corporation’s business. When required the Board may arrange for topical seminars to be provided to members of the Board or committees of the Board. Such seminars may be provided by one or more members of the Board and management or by external professionals.

4. Ethical Business Conduct - The directors are required to abide by all relevant regulatory rules and regulations. The Board monitors compliance by requiring directors and officers to declare any conflicts of interest or any other situation that could represent a potential violation of any applicable rules and regulations. When applicable, the Board will receive reports from management regarding any allegations of unethical conduct.

5. Nomination of Directors - The Board has not adopted any formal policy for the nomination of new directors. The Board relies on each director to identify new candidates for Board nomination based on the needs of the Board.

6. Compensation – Other than stock options received by the directors, no non-executive director received any cash or other form of compensation. See “*Executive Compensation - Compensation of Directors*”, above. The Board has a Compensation Committee whose role is discussed in detail in “*Executive Compensation – Compensation Discussion and Analysis*”, above.

7. Other Board Committees – There are three standing committees of the Board; The Audit Committee, the Compensation Committee and the Governance Committee.

Audit Committee

The Audit Committee is responsible for the integrity of the Corporation's internal accounting and control systems. The Committee receives and reviews the financial statements of the Corporation and makes recommendations thereon to the Board prior to their approval by the full Board. The Audit Committee communicates directly with the Corporation's external auditors in order to discuss audit and related matters whenever appropriate. This committee is currently comprised of two directors, Emanuel Gerard and Sam Geist.

Compensation Approval

The Corporation’s Compensation committee is currently comprised of three (3) directors, Sam Geist, Glenn Myers and Bob Savage. The Compensation Committee makes recommendations to the Board regarding the compensation policies and practices of the Corporation that apply to senior management and the Board.

Governance Committee

The Corporation’s Governance Committee is currently comprised of two (2) directors, Emanuel Gerard and Paul Orlin. The mandate of the Governance Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing all aspects of the Board’s governance framework to ensure the Board functions in an effective and efficient manner to support the operations of the company and protect its shareholders.

8. Assessments - The Board does not have any formal policies to evaluate the effectiveness of the Board, the Audit Committee and the individual directors. The Board may appoint a special committee of directors to evaluate the Board, its committees and assess the contribution of its individual directors and to recommend any modifications to the functioning and governance of the Board and its committees. To date, the Board has not appointed any such special committee of directors to perform such analysis. Some of this function will fall to the Governance Committee being formed following the AGM.
